

Aaron Server

Seattle, WA | (775) 315-4620 | Server.Aaron@gmail.com | www.Aaronserver.net

Action-oriented Project Manager with excellent customer oversight, issue resolution and relationship building skills. Highly effective at maximizing new and repeat activations..

PROFESSIONAL EXPERIENCE

Gig work - Videographer

03/20 - Present

- Helped solve Covid-unique production problems, such as finding creative solutions to remote productions
- Learned how to take tools I know such as Discord, mix them with new tools like vMix in a short turn around to create professional products.
- Help clients produce their visions in an economical way while still executing their vision

eSports Regional Manager, GameWorks - Seattle, Washington

01/15 – 03/20

- Built my own department from the ground up. Opened locations and hired teams.
- Sole project manager completing the entire event set-up, from finding players to executing awards
- Managed tournaments over 2,500 players over circuits lasting 6+ months
- Traveled to different GameWorks across the country to help set up locations including technical computer networking and training teams.
- Managed 7 teams of 10+ people across 7 states, in all continental US time zones
- Producer of the official Pre-Evo 2016, 2017, 2018, 2019 parties
- Planned \$1,000,000+ budgets
- Oversaw teams that executed hundreds of events per month
